**To better serve you our external customers, please follow the instructions below to Register for training:**

REGISTER- means to set up an account in LMS

ENROLL- to sign up to attend a particular class.

Please follow these registration procedures:

<http://learning.dot.ga.gov/psp/elms/?cmd=login&languageCd=ENG>

Please keep in mind that during the Registration Process, that EACH person MUST create a separate account with a valid email address, DOB and DL. We know many don't want to provide this information, however this is what the Department has established as Requirements for Registration. This will also allow you to log back in and check your Learning History and hopefully provide a great historical database for each of us. It will also allow GDOT to log into LMS and look at your registration data (name, address, organization, email, phone number) at will.

**If you need any assistance with registration or enrollment email [VReid@dot.ga.gov](mailto:VReid@dot.ga.gov) or call Vivian Reid, Office of Training and Development at 404-347-0631.**
